Dear Aunt Margie and
Cousin Kathleen:

You will no doubt
be surprised to hear
from me and way
up in Alaska too.

I believe Alice
and Helen met you
in Calgary a number
of years ago, when I
was just beginning
my teaching career,
which was just
terminated last
Aug 25th when
I married Eugene
Nelson, a mining
engineer here in Juneau.

^{III}
of games at home -
"Moment Musical"
which I play on the
piano and "Last Rose
of Summer". I used
to play them over
and over again. My
mother gave us a
12 tube radio so we
should be able to
get you thru the
Vancouver station.

Granby is a small
town of 6,000 it
rains a lot. being
the capital there
are a lot of federal
employees, and quite
a bit of social activities.

Doris and Alice
are both married

^{II}
I went to California
and stopped in San
Francisco several days.
were out to Berkeley
with friends of Leo's
wish you had been
there.

Frances wrote me
Dattie Wheeler visited
you in Toronto and
that you were
broadcasting over
C.B.C. Will you please
send me a schedule
of your program, so
I may hear you, it
has been a dream
of mine to hear you
in person, which I
hope will be realized,
we have a record

living in the Peace
River district of Alberta.
There he has a girl 14
and a boy 8 (my pet).
Alice has four ranging
from ~~to~~ 2 to 10. One
girl and three boys.
He is going home
next summer.

Mathew is quite well,
very forgetful and
childish, which one
expects at his age. James
has been a wonderful
sought to him. Of
course you know
we lost our darling
father about seven
years ago; It seemed

such a ^{tragic} thing
at the time. But time
softens sadness, and
we have such nice
memories. He had
such a kind, humorous
nature. Altho' he
was 76 when he
passed away he
looked and seemed
60.

Aunt Shank is in
Portland Maine with
her daughters. I taught
in Rhode Island
seven years, used to
visit ^{young} Aunt Hank and
from home.

Suppose you know
all of Uncle Bonner's
Aunties have passed
away except Harold
who is the father of

intended having it
done outside, but
Gene says he spent
most of his honeymoon
waiting outside the
shops for me. but
you may recognize
me if and when
we meet. I plan
on taking a trip
home a year from
this summer. And
will surely stop to
see you if you are
still in Toronto.

Please write when
you find the time
since you must be
busy.

Sincerely yours.
The Eugene Nelson (Eugene

the war situation
is more settled. Gene's
mother, two sisters and
brother live here - Mrs
Nelson is expecting the
winter in Pasadena.

How do you like Toronto,
I always admired that
city. When passing
their enroute to Alts.

Janeau is very war
minded, have taken
a first aid course
and now knitting.

Am sending you
photo of Gene. I
